

Bring all of your digital media to your TV in the living room for the whole family to enjoy

With elegant and easy-to-navigate menu screens, you can play DVDs, view family slide shows, browse your music collection by cover art, listen to entire playlists, or choose from a vast selection of Internet radio stations from all over the world.

The DMA2200 and your Windows Vista™ Operating System Media Center PC give you a complete PVR solution - allowing you to watch, pause, rewind and record live TV (PC-embedded or optional TV tuner required). In addition to traditional TV, you also have access to a broad set of popular Internet video services that enable you to download the latest movie releases or stream the latest releases. The Linksys DMA2200 integrates the latest in 1080i (p) upscale DVD players.

Leveraging the robust bandwidth capacity of Dual band Wireless-N, the DMA2200 has been engineered to quickly stream rich, high-definition content directly from your Media Center PC to your HDTV and surround-sound system without running cables through your house or inside walls. Let the Linksys DMA2200 bring your digital media collection out into the living room for the whole family to enjoy.

DATASHEET

Access video, music, and photos from your Microsoft Windows Vista™ Operating System Media Center PC and stream it to your home entertainment system via the DMA2200.

High speed, Dual band Wireless-N enables you to view streamed content from virtually anywhere in your home.

Built-in upscaling DVD-Video player (720p, 1080i and 1080p) for watching DVDs in high-definition on your HDTV. Playback your CD Audio collection

Video from Vista PC:	MPEG-1
	MPEG-2
	WMV9 (Standard and High Definition)
	VC-1 Advanced Profile 4.0
Pictures from Vista PC:	JPG, PNG, BMP, GIF
DVD Video Region	US and Canada=1, Europe=2, Singapore=3, Australia and New Zealand=4
Manual Language(s)	English, French, German, Dutch, Italian, Spanish, Swedish, Danish
UI Language(s)	English, French, German, Dutch, Italian, Spanish, Swedish, Danish
Ports	HDMI 1,2
	Component Video
	Composite Video
	S-Video
	SPDIF RCA+Toslink
	Stereo
	Ethernet 10/100 connector
	Power connector
	USB port for Service purpose only
	3 Antennas
Disc Loader	Front drawer type, for DVD-Video and CD-Audio disc/formats only
Buttons, Front	Eject, Play/Pause, Stop, Standby
Buttons, Rear	Main Switch, Reset/Default setting
Display	Front display
LEDs	Ethernet connected/busy LED's in rear panel inlet, Standby
Power Supply	Built in universal SMPS with low standby consumption <1W
	230V Mains Power
Cables	Component cable 1.5m
	Composite Video cable1.2m
	Stereo Audio cable 1.2m
	Ethernet cable 2m
	SCART cable1.2m
	Power cable, localized to country of sale

Environmental

Dimensions	9.09" x 4.92" x 12.95" (231 x 125 x 329 mm) (Incl. Inlets, buttons, feet and Antennas mounted/raised. Excl. Connectors)
Weight	4.85 lbs. (2.2 kg) 77.60 oz.
Power	100-240V, 18W
Certification	FCC, CE, IC
Operating Temp.	32 to 104°F (0 to 40°C)
Storage Temp.	-4 to 158°F (-20 to 70°C)
Operating Humidity	10 to 85% Non-condensing
Storage Humidity	5 to 90% Non-condensing

Package Contents

- Linksys Media Center Extender (DMA2200)
- Remote control and batteries
- Three Antennas
- Regional Power cable
- Other cables (See Specifications above)
- Setup CD
- CD-ROM with User Guide
- Quick Installation Guide

Minimum Requirements

- "Certified for Windows Vista" or equivalent computer with Microsoft Vista Home Premium or Ultimate edition (Intel P4 2.4 GHz or higher or AMD equivalent, 1.0 GB of RAM, 100Mbps Ethernet connection) with CD-ROM drive and Internet Connection

The maximum performance for wireless is derived from IEEE Standard 802.11 specifications. Actual performance can vary, including lower wireless network capacity, data throughput rate, range and coverage. Performance depends on many factors, conditions and variables, including distance from the access point, volume of network traffic, building materials and construction, operating system used, mix of wireless products used, interference and other adverse conditions.

Check the product package and contents for specific features supported. Specifications are subject to change without notice.
